JOSIE WAILS

Dear *Mayfair*,

I know it makes me sound like a right old perv (*You're in good company, mate! – Ed.*), but one thing that's always turned me on, since I was quite a young lad, is getting an eyeful up a woman's skirt. It doesn't matter if they're wearing knickers or not (although obviously a glimpse of a naked cunt is always a blessing!) it's just getting a look at what's under that skirt that does it for me. From wanking over up-skirt celeb photos in the paper to getting a flash of a woman's arse on a particularly blustery day, it's a kink I've always had and always will have. The only time I've acted on this fetish of mine, though, was when I met Josie in a pub, about eight months ago – and that was only because Josie is the kind of wild chick that is up for anything!

I had decided to try a new bar in town, one with plush leather sofas and beer on tap, and was having a quiet drink on my own when Josie and a couple of mates bounded in with lairy, youthful enthusiasm. They made a beeline towards the old-fashioned jukebox in the corner and started dancing around while necking shots, becoming louder with every new tune that came on. The girl that caught my eye was wearing a flouncy mini-skirt, and it just so happened that the sofa that I was sat on was so low that I couldn't help but notice said mini-skirt allowing a glimpse of her black thong and bare bumcheeks. I could have moved seats, but with my predilection for exactly what I was witnessing, I naturally stayed put. It

didn't take long for her mate to twig that she was flashing at me, however, and I saw her point it out.

I thought she'd be pissed off and come and have a go at me, but she simply

HELLO TAYLOR!

Dear *Mayfair*,

As an avid reader of your fantastic magazine, I have got to say the 3 issues with the cockteaser Adele Taylor (50.08, 50.13 & 51.04), from her debut until her most recent appearance are totally beyond compare! I've loved these pictures of Adele so much that I've even to buy replacement copies of the issues with her in, if you know what I mean!

It's not just Adele who keeps me coming back for more – it's all the other incredibly sexy girls like Cara Brett, Emma Green, Natalia Forest, Stacy Saran, Valerie Fox just to name but a few. Frankly all the sexy girls you feature are just amazing and I cannot wait until next month where the gorgeous Priya and Preeti young twins will be gracing the pages of *Mayfair*!

Please keep up the excellent work and I will continue to buy your fantastic magazine!

Paul, Staffs.

laughed and poked her tongue out at me from across the room. I blushed down to my socks, but didn't stop looking at her. Instead, I smiled and raised my glass, surprised once more when she grinned back and waved.

The next time I went to the bar, she yelled, "Hey, perv! You buying us a drink then, or what?" I nodded and the girls joined me at the bar, ordering vodkas with tequila chasers. These girls were on it! Josie introduced herself and we began chatting, finding we had lots in common and flirting outrageously. I knew straight away we'd end up back at mine.

By the time we did head back to my house, we were both pissed and while I poured us drinks, Josie put some music

on and began dancing around. When I sat down, she became more provocative in her movements, swaying her hips, flaunting her smooth bum and twerking in my lap. Her skirt flounced up every so often and I was so tempted to either grab hold, or get my cock out and start wanking furiously, but I resisted both. Instead, I let her dance away, getting more sexually graphic with each passing moment, until she had her skirt hitched up around her waist and was grinding into my crotch, like a lapdancer.

Eventually I gave in to my desires and, as she lifted herself up, I cupped her pussy mound through her panties, making her jump initially but quickly grind back onto my hand.

BACK FOR... WOOD!

Dear *Mayfair*,

Having allowed my readership of *Mayfair* to lapse about a decade ago, I've recently returned to the fold, and have been more than surprised by the quality of recent issues.

Mayfair still features the most mouthwatering selection of girls imaginable, and I wouldn't expect anything less! But your current policy of featuring girls older than their mid-20s, coupled with a focus on lingerie and other sexy attire is paying dividends by the bucketload!

For me, no set encapsulates this better than that of the gorgeous Lucy Zara (51.4). She might be 36, but Lucy's still got an incredible figure and the most amazing pair of tits! Combine that with that sensational black latex dress and

gloves (something which you should feature more often, in my opinion) and the result is spectacular. *Mayfair* is definitely the 'Go-to' magazine if it's trouser-tenting girls you're after, and please let's see more of Lucy soon!

Mike, Dorset.

PS: Could you feature a *Mayfair* classic of the original big-boobed beauty Joanne Latham?

Good to have you back, Mike - and we're glad to hear you approve of the way the mag's going! We certainly intend to get Lucy Zara back in soon, so don't worry about that. As for Joanne Latham, well you no sooner have to ask...

"Thought you'd never take the hint!" Josie trilled and, bending over with her bum in my face, pulled her black thong down to her ankles, exposing her hairless snatch to me. Now I had the green light I dived in, opening her delicious fanny with my fingers and sticking my tongue right into her moist cave, savouring the musky taste of her juices. I lapped away, sucking her hole and reaching for her clit with my tongue, enjoying the

"NOW I HAD THE GREEN LIGHT I DIVED IN, OPENING HER DELICIOUS FANNY WITH MY FINGERS AND STICKING MY TONGUE RIGHT INTO HER MOIST CAVE."

yelps and moans I was eliciting.

My cock was aching for some attention so, without stopping my tongue action, I undid my zip and started stroking my length. I must've been somewhat obvious because Josie suddenly glanced around, spotted my stonking hard-on and squealed, pulling away from me and turning round to get a better look.

Practically forcing me to lie down on the sofa, she took hold

of my dick and wanked me enthusiastically, occasionally pausing to give the tip a lick or suck. I closed my eyes for a moment and when I opened them again she was in the process of straddling me.

Grinning and still wanking away, she guided my throbbing member towards her pussy and as I felt myself enter her tight passage, she threw her head back and let out a low growl. I was expecting her to go at it straight away but instead she stayed still, squeezing and slackening her muscles around my prick before starting to slowly ride me.

She gained momentum until she was bouncing up and down on me, tensing her vaginal muscles as she pulled up, causing me maximum pleasure - especially as her skirt was still hitched up around her waist and flopped down every so often, giving me a huge thrill as she slammed her pussy back against me.

It all became too much after a while, though, and I couldn't help letting go; I grabbed Josie's hips and banged my cock up inside her as hard and as fast I could, until she began to moan that she was coming. Good timing, I thought, as I felt my balls throb and I shot my load inside her, groaning loudly as I did. As she orgasmed, her snatch muscles contracted around my shaft, squeezing me so tightly that she milked every last drop of spunk from me.

I've not seen Josie since our drunken fuck - though I do keep a hopeful eye out for her - nor have I been fortunate enough to pull another gorgeous young lady who has flashed at me, either! I can hope, though!

And if the letters we've received on recent years are anything to go by – it's exactly the sort of thing that puts a spring in your step and lead in your pencil as you make your way to the newsagent!

CH-IRON BANKER!

We've featured some pricey motors of late, but the new Bugatti Chiron pulls out all the stops!

It's been over a decade since the first Bugatti Veyron rolled off the production line, and boy did it redefine supercars for the 21st century. Over the years the boffins at Bugatti didn't sit on their laurels and they continued to squeeze more and more power out of the Veyron, with the final production model, the Grand Sport, producing an eye-watering 1200hp. We certainly wouldn't have wanted to be in

by Bugatti, producing a mind boggling 1500hp. In combination with the four new, larger turbochargers and a large number of other technical refinements and innovations, maximum performance is available constantly and can be easily controlled at all speeds. The exhaust system can be singled out as one of the most significant of these innovations. There are six exit pipes in total, with four protruding from the rear and two pointing

terms of maximum acceleration but is, for the first time, also an agile, modern Bugatti with handling that ensures maximum driving pleasure. The car boasts five different driving modes, and we're not talking your average Sport and Comfort settings. Not in Bugatti land. There's 'Lift', 'Auto', 'Autobahn', 'Handling' and 'Top Speed' to choose from, each an individual blend of settings for the chassis height, dampers, steering weight, torque distribution from the four-wheel drive system, active aero and the electronic stability system. We know

their boots when they got the memo from head office saying that the Veyron needed to be replaced with something bigger and better, clearly they were more than up to the task as the Bugatti Chiron is a thing of real beauty!

Unveiled at this year's Geneva Motor Show, the Chiron is quite simply stunning, and as you'd expect from a Bugatti it's ridiculously powerful and super fast, and comes with a colossal price tag to match. Bugatti are billing it as "the world's most powerful, fastest, most luxurious and exclusive production sports car," and having seen the car and its performance figures it's pretty hard to argue the point. In fact Bugatti claim that the Chiron is even quicker than their claimed limited top road speed of 261mph, with the speedometer clocking out at an insane 310mph.

This blistering pace is the result of the legendary and unique eight-litre W16 engine that has been newly developed

downwards to create a blown diffuser – a downforce-boosting technology proven by, then subsequently banned in Formula 1! Air-cooling is critical when performance levels like these are achieved and the Chiron's cooling system is something to marvel at. It pumps 60,000 litres of air per minute through the engine, while the coolant pump can circulate 800-litres in the same time. In total there are also 10 radiators crammed under the Chiron's skin. Being able to stop at 261mph is also pretty important and the carbon silicon carbide brakes with eight pistons help the Chiron stop on a penny, the air-brake that protrudes from the rear haunches should take some credit too.

But this car isn't all about pure straight-line speed. With the new carbon fibre monocoque, a newly designed adaptive chassis, tyres developed especially for Bugatti (wrapped around stunning 21 inch alloys) and other innovative technologies, the Chiron is not only a champion in

which setting we'd have switched on permanently.

The design language introduced by Bugatti with the Chiron has a significantly more aggressive tone and does justice to the character of the new super sports car. The designers have succeeded in reinterpreting Bugatti's DNA with its distinctive features in a modern manifestation at the same time as adding new features resulting from the technical demands of even higher performance. The Chiron remains unmistakably a Bugatti. The bold mix of curves and straight lines for the exterior is still striking. At the front it gets a sculpted bonnet and low headlights, while round the back, a unique 1.6m long LED light strip features. It's taller and wider than the Veyron, with increased space in the cabin. Inside you'll also find luxury features like a high-end sound system, WiFi and 31 leather trim colour options. Paint options for the Chiron range from carbon-fibre effect black to a bright blue and white combo. So nice and subtle then.

At the moment the Chiron is only available as a coupe, but if it follows the same trajectory as the Veyron, an open top version will be available at some point further down the road, perhaps

“THE UNIQUE EIGHT-LITRE W16 ENGINE HAS BEEN NEWLY DEVELOPED BY BUGATTI, PRODUCING A MIND-BOGGLING 1500HP.”

after the model run of 500 cars is sold. And with deposits handed over for nearly 200 of these hypercars by super-rich customers you'll have to sort out that loan pretty quickly if you want to get hands on one!

Incredibly, one potential super-wealthy buyer has paid deposits for no less than six Chirons (*No, it's not me, before you ask - Ed.*), and rumour has it that customers are buying used Veyrons to give themselves a better chance of being allocated a Chiron, as the brand will look more favourably on current owners.

Meanwhile a Bugatti spokesman has also revealed a mind-boggling fact that on average the potential owners of a Bugatti Chiron also own 64 cars, 3 jets, 3 helicopters and a yacht, and will drive a mere 2,500 kilometres per year in the car, the kind of people that wouldn't blink at the £1.9 million price tag. It's alright for some, isn't it?

GIRL OF THE YEAR

My God – what is it with votes?! If we're not deciding which Celebrity to kick out of the jungle, or who warbled their tune the best on some talentless show, we're being asked to decide whether or not Britain ought to stick with the European Union or uncouple itself entirely and float off into the middle of the Atlantic! Frankly you can have enough of these life-altering decisions, but one decision that is pure, unalloyed pleasure is deciding which girl who's appeared in *Mayfair* is your favourite! Let's face it, instead of tiresome 'facts' about the balance of trade or immigration, all you've got to do is stare at a selection of our lovelies and, well, pick your faves! And this year we garnered plenty of responses again, with the likes of Cara Brett, Adele Taylor and Dani Maye all putting in strong performances. But, as you've probably twigged by now, it was Holly Gibbons who came out on top, narrowly pipping Emma Green and Jenny Laird to the post! And congratulations are also due to I.M. of Kent, who got the top three in the right order, and who wins a goody bag for his troubles!

We all know that this nation needs to export more if we're going to balance the books, although sadly commodities like steel seem to be beyond us these days. Thankfully we've got another asset up our sleeves that those foreigners can't get enough of – hot babes like Ava Dalush! Just recently she headed over to the states to see if she could make a go of modelling over there and, well, she could! Admittedly buying the pictures back sets the balance of trade back to square one again, but hey – who cares about that?

A man and a woman were celebrating their 50th anniversary. They were talking before their dinner about how they should celebrate their big evening. The woman decided she would cook a big dinner for her husband. Then he said they should do

Two friends went to a strip club. When they got inside they noticed two seats conspicuously unoccupied in the front row. Seizing the opportunity, they took the seats. As soon as the first dancer walked out, the guy directly behind them yelled, "Yeah baby!

That's what I've been waiting for!"

One of the friends in the front row turned around and gave him a dirty look. A few minutes into the show, the dancer did a move and snatched off her top, revealing two tassels. The guy behind our friend goes off again. "Yeah baby! Shake those things."

The other friend turned around and said, "Hey, calm down!"

After a few moments, the dancer did another move, and snatched off her dress, revealing a very thin G-string. Again the man behind our friend yelled out, "Oh baby! You're almost there!"

The other friend again turned around and said, "For christ's sake, shut up!"

A few minutes

later, the dancer stretched out on the floor and snatched off both the tassels and the G-string, and the whole club went wild, except for the man behind our friend. Curious, the other friend turned around and asked, "Where's your enthusiasm now?"

The guy responded, "It's all over your back, mate."

A Mother had three virgin daughters. They were all getting married within a short time period. Because Mum was a bit worried about how their sex life would get started, she made them all promise to send a postcard from the honeymoon with a few words on how marital sex felt.

The first girl sent a card two days after the wedding. The card said nothing but "Nescafe." Mom was puzzled at first, but then went to the kitchen and got out the Nescafe jar. It said: "Good till the last drop." Mum blushed, but was pleased for her daughter.

The second girl sent a card a week after the wedding, and the card read: "Benson & Hedges". Mom now knew to go straight to her husband's cigarettes, and she read from the Benson & Hedges pack: "Extra Long King Size." She was again slightly embarrassed but still happy for her daughter.

The third girl left for her honeymoon. Mum waited for a week, nothing. Another week went by and still nothing. Then after a whole month, a card finally arrived. Written on it with shaky handwriting were the words: "British Airways".

Mum took out her latest Harper's Bazaar magazine, flipped through the pages fearing the worst, and finally found the ad for the airline. The ad said: "Three times a day, seven days a week, both ways."

M

One morning a couple were in an amorous embrace and the wife says: "Honey, that Viagra is so wonderful, let me fix us a nice full breakfast... eggs, bacon, toast..."

The husband says: "No, I'm not hungry, the viagra has killed my appetite."

Later in the day, the wife says: "Sweetheart, I want to do something for you, let me fix you a nice wholesome lunch, fresh salad with your favourite ingredients, steamed veggies, and some grilled fish fillets..."

The husband again refuses, "I'm just not hungry after using that viagra."

At dinner time, the wife tries again, "Are you hungry yet? I'll fix a steak and potatoes dinner with hot rolls."

The husband again refuses: "No, I'm still not hungry."

The wife then firmly says, "Well, I am, so get OFF me!"

M

Little Johnny goes to school, and the teacher says, "Today we are going to learn multi-syllable words, class. Does anybody have an example of a multi-syllable word?" Johnny says "Mas-ter-bate." Ms Hall smiles and says, "Wow, little Johnny, that's a mouthful." Little Billy says, "No, Miss Hall, you're thinking of a blow-job."

BOY: Give me a blow-job.

GIRL: Can you be more romantic?

BOY: Fine, give me a blow-job in the rain.

what they did on their wedding night and eat at the dinner table naked. The woman agreed.

Later that night at the table, the woman says, "Honey, my nipples are just as hot for you as they were fifty years ago."

The husband replies, "That's because they're dangling in your soup."

Scene from MAYFAIR

At long last a classic slice of British sci-fi gets dusted off and given a DVD makeover! But if it's emotional drama or star-studded vintage comedy, then you're in luck as well this month!

DOOMWATCH

You'd have to be pretty long in the tooth to remember watching *Doomwatch*, given that it originally aired way back in the early 70s, but that's not to say plenty of us haven't heard about it – over the years it's achieved something approaching mythical status and now, at long last, it's available on DVD courtesy of Simply Media. If you don't know anything about it, imagine it as filling the gap in TV evolution between *Quatermass* and *The X-Files*, with John Paul playing the leader of the Doomwatch team Dr. Spencer Quist, with assistance from Robert Powell, Jean Trend and Colin Bradley. Each episode sees them investigating something mysterious and occasionally paranormal that threatens the wellbeing of mankind – complete with the obstructive companies and uncooperative governments closely prefiguring the *X-Files* shtick of 20 years later. Sadly some episodes are lost, but over 1000 minutes on 7 discs will be most welcome for sci-fi fans.

PICK**

ROOM

There have been plenty of recent examples of people being illegally held captive before managing to attain their freedom – and we're not just talking by panellists on *The Voice*. It must be a painful and baffling experience, and this film (written by Emma Donoghue and based on her novel of the same name) takes a long hard look at it.

Brie Larson stars as Joy, who along with her son Jack is kept captive in a grotty room by the man who abducted Joy (and subsequently fathered Jack) seven years previously. The pair hatch a plan and... well, they finally manage to escape their captor and Jack gets to experience the outside world for the first time. It's a profoundly affecting film, with Larson pouching numerous awards for her performance – and we've got three copies to give away! Just tell us who invented Room 101 and send your answers to Mayfair's Room Comp at the usual address, or email mayfair@paulraymond.com by May 27th.

ARABELLA

Terry-Thomas graced some of the finest British films of the 50s and 60s, but he also put his talents to good use in a few European productions, most notably the French *La Grande Vadrouille* and, filmed a year or so later, this Italian movie. The star is the delectable Virna Lisi, who plays a comely young Italian who sets out to save her grandmother (another British icon in Margaret Rutherford, no less!) from financial ruin by sweet-talking a selection of smitten men out of their cash. And Terry-Thomas plays no fewer than four of her marks, ranging from an Italian Duke to a humble insurance broker.

The films plays up to all sorts of national stereotypes, and it's hard to fathom why it's never had a DVD release in the UK before. Great fun, if inevitably a little bit dated.

Lounging in the garden in a pair of skimpy see-through undies - that's how Caroline here likes to while away an afternoon once the clocks have gone forward, and to be honest we can't really blame her. Could you think of a better way to spend an afternoon than on the garden, stroking that beautiful hairless pussy of hers before - well, you know the rest! No, us neither, and don't get us started on her boobs!

Walter might be trawling through box sets to bring you the best in international drama, but has he got what takes to sit through a mountain of scruff and pick out the highlights, eh? I think not!

Harmony

OUTLAND: BEYOND THE FAR WEST

CAST: Dahlia Sky, Tiffany Doll, Cathy Heaven, Alexis Crystal, Silvia Rubi.

Think of a word that starts with 'S' and ends with 'punk' that you'd expect from a skin flick? Well, yes, there's there obvious one, but this high budget release from Harmony also boasts another, quite possibly laying claim as it does to the title of the world's first steampunk scruff movie! It's a bold undertaking – the film looks genuinely cinematic (it's even shot in cinemascope, more or less) and features scenes of real emotion in between all the bonking, so you've got to doff your cowboy hats to Directors Bobby Peru and Archibald Witwicky Jr (!!).

Nacho Vidal plays a ruffian who returns to a frontierstown hellbent on revenge, which he sets about wreaking with a couple of killings to get the ball rolling before bunking up with Crystal.

Editor's PICK

There are plenty more eye-pleasing bonings to follow, including a double dicking for some sort of mud-caked 'native American' Tiffany, and word has it this is the first part of a trilogy, too. Good to see someone out there making ambitious stuff like this these days.

Sinful XXX

MAKE ME SWEAT

CAST: Anna, Kattie, Blanche, Nathaly.

A lot of your cheaper bongo flicks would like you not to notice that it's pretty well all been shot in the same location – maybe they'll move the sofa around or something in the hope you won't notice – but this release from SinfulXXX (a new studio on me) goes one better and takes the location out of the equation altogether! Well, in effect, because each of the four couple who feature in this film are shot on a completely black and unlit set, which results in no distraction whatsoever from what the protagonists are up to.

Given that the first scene opened not with a look at Anna but at her stud Figi's muscular torso, it's clear that the film's aimed squarely at the couples market, and things certainly proceed in a tasteful and, well romantic fashion. That's not to say there aren't plenty of arousing angles and close-ups, but nasty gonzo it certainly ain't! The other scenes proceed in a similar way – touchy-feely but still decidedly horny, making this flick a worthwhile addition to the couples-friendly canon. Available from your local sex shop.

Wicked Pictures

DIRTY MONEY

CAST: Casey Calvert, Bianca Breeze, Jezebel Vessir, Teanna Trump, Ziggy Star.

Ever wondered what a day in the life of a \$100 bill looks like? I know I have, but I usually conclude it probably spends most of its time sitting in a wallet, or deposited in a bank. Little did I realise that a hundred bucks could see quite so much action in 24 hours as the mute star of this interestingly-themed feature from Wicked. Then again, the money in question does start the day in Porn Valley USA, so he was probably always going to have a bit more fun than your average Country Joe greenback.

Buck, as we perhaps ought to call him, begins his day being withdrawn from an ATM by a chap called Stallion who doesn't waste

much time passing it on to his missus Casey, along with a big dose of loving. Seems like they've got a pretty good relationship, but they still head off to counsellor Bianca in the morning – and she bags the lolly! She then runs into a bent cop who, as well as taking the dough, bangs her on the bonnet of his car! She looks a treat as he pokes away at her, gagging on his knob as he tickles her tonsils before splashing off over and into her wanton gob.

★★★★☆

Well, the cop's daughter Ziggy nicks the lolly and, well... on it goes. A novel and nicely shot take on *La Ronde*, with some cracking looking girls and some top sex scenes.

Esex babe Sophie just about managed to squeeze us in for a shoot before jetting off to Australia for some serious R&R. So we wondered what she was planning to do while she was down under...

"Oh, I've got a list as long as your arm!" she beamed. "I love scuba diving, so I'm hoping to do a bit of that, as well as hanging out on the beach, seeing some friends. Maybe get together with a hunky Aussie fella or two..."

Hmm, what's wrong with us scrawny English fellas, eh? Either way, do make sure you don't get eaten down under – by a shark, that is!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Having married my childhood sweetheart, I became more than a little saddened when our relationship slid into the 'comfort zone'. We are still affectionate, but after 11 years, we are more like brother and sister or good friends than passionate lovers. In fact, I can't remember the last time we made love. I would

day out. I get on great with his friends - I'm almost one of the lads - but I can't say I was particularly excited about the prospect. I can follow cricket and understand the rules, but I'm also bored by it. I only watch it to spend time with Ben and the gang, and only on occasion. But I thought it might be fun to get pissed up and trade banter with other fans, so I agreed to go.

It was glorious sunshine on the day in question and I wore a cute sleeveless playsuit, as it fitted my curves perfectly and to catch some rays on my bare legs. Piling into the minibus, the lads got straight on the beer and I had a feeling that I'd be witnessing some vomiting before the day was out.

We had good seats and the match was an exciting one, with plenty of singing, sledging and boozing. But by the afternoon the boys were worse for wear and I was catching up fast, my intention of not getting too hammered disappearing in the sunshine drinking. Yawning, I realised that I'd be asleep before too long, so decided to go for a walk to wake up and stretch my legs. Despite telling them, the guys were so engrossed in the cricket I'm not sure they noticed me leaving the group.

When I came out of the ladies, I found myself wondering how easy it would be to get into the hospitality suite - not something that's ever crossed my mind before - and set off in the direction of the main building. Luckily

for me, everyone around me was busy either

watching the action on the pitch or, in the case of the staff, hurrying around getting the place ready for the after-match onslaught. Nobody even glanced in my direction, let alone asked me what I was doing there. Heading through the dining

room, I slipped through a door, which took me down a corridor lined with portraits of famous cricketers past. I had no interest in them, however. I was only interested in the unmarked doors on either side. Pushing one ajar, I peeked in, only to find a load of middle-aged men guffawing while watching the game through a window-wall. Ah, so I'd found the executive boxes, had I? Unseen, I pulled the door closed and headed to the next one.

Opening the door and poking my head round, I found a man on his own - a man who clocked me immediately and grinned. I blushed scarlet, giving myself away. It didn't help that he was gorgeous. Tall with jet-black hair and the most handsome face, he waved a glass in my direction.

"Join me for a glass of champagne?" he asked, in the sexiest cut-glass accent. Confident from the alcohol still warm in my belly, I nodded and entered the posh suite. He poured me a glassful and, as I accepted it, our hands touched and I felt a spark of electricity between us. Taking a gulp of the cold liquid I was shocked and excited by the butterflies in my stomach and the tingle between my legs. I was a married woman, for God's sake!

Supremely confident, the handsome stranger gently took the glass from me and, putting them both on the table, held my face in his hands and kissed me softly on the lips. It felt divine! I kissed him back, pulling him in close and relishing the discovery that his body was hard and muscular under his suit. He pushed his tongue between my lips as he ran his hands over my curves, pausing to squeeze my bum before moving up to my pert breasts.

**HE LET OUT A SIGH
AS I GOBBLED HIM,
MASSAGING HIS
HELMET WITH MY
TONGUE...**

I gasped, parting my thighs as his hand found its way to cup my now-throbbing pussy.

Lust took over and I pushed him down onto a chair and straddled him, grinding my clothed snatch onto the outline of his hard cock as I snogged his face off. It was obviously too much for him, as he pulled away and breathed, "Take your clothes off!"

I had no intention of arguing and, standing up, I stripped my playsuit off in one fluid motion, not taking my eyes off him as he undid his fly and released his beautifully erect prick. I had the sudden urge to taste him so dropped to my knees, wrapping my lips around his girthy length. He let out a sigh as I gobbled him up, massaging his helmet with my tongue and his balls with my hands. Grabbing my head, he began to fuck my mouth, pushing his dick in to the hilt, making me gag.

As he pulled out I noticed a string of spittle between his cock and my mouth, which sent me crazy! Standing, I straddled him again, but this time I lowered myself onto his rigid pole, my vag swallowing him whole.

I was in heaven as he filled me entirely;

never leave Ben, however, as I care about him too deeply to hurt him - plus, I would never find another man as caring as he is. That said, I am/was more than a little sexually frustrated, so shouldn't have been surprised when my eye started roaming a couple of years ago...

I was completely faithful until the summer of 2014. Ben had bought tickets for the cricket, which he and his mates made an annual event of, but this year someone dropped out and unable to sell the ticket on, Ben decided that I should tag along thinking it would make a nice

hitting my G-spot and making me climax almost instantaneously. He grabbed my hips and thrust into me deliberately, banging me down hard onto his thrusting sword. I knew he was coming when he pulled me down into his crotch and ground his cock as deep inside as it would go, grunting and sweating profusely as he nuzzled his face between my tits.

As soon as we had both caught our breath, I clambered off him and pulled my playsuit back on. Without a word, he took my face in his hands once more and kissed me gently on the lips. Dizzy from the whole experience, I made a quick getaway and headed back the way I'd come through the restaurant, to the ladies toilet. I couldn't believe what had just happened! I tidied myself up and rejoined Ben and the lads who, as predicted, had barely noticed I'd gone! When I sat back down they were sledging one poor cricketer as he left the pitch.

I swore to myself that my secret fuck was just a one-off, but a few months later I found myself in another compromising position. However that's another story...

“SUDDENLY THERE WAS A HAND ON MY BUM, SQUEEZING ME ROUGHLY, THE FINGERS DRIVING THROUGH MY LIPS AND SPLAYING ME OPEN.”

I just love to be licked from behind. My pussy, my arsehole, my thighs, my feet, my toes, whatever, if you're licking them from behind and I'm down on my hands and knees it's guaranteed to make me come and come hard.

Up until I turned twenty, I had experienced plenty of from behind action but I'd never really let on that it was my biggest turn on – I think I was a little ashamed of it to tell the truth. Then one day, drunk, I confessed to a very sexual friend of mine that my ultimate fantasy was to be up on a pedestal on my hands and knees while a line of men came and tongued every inch of me they could see.

Three days later I got a call from Maggie, my horny friend I'd confessed to, and she told me that she had a little surprise for me, a sexy surprise. After that she said I should be round her place Saturday night at nine and then she hung up. It might sound obvious that Maggie had in mind a queue of hot men waiting to eat me out but she did this sort of thing all the time and I had actually forgotten about my confession so I had no idea what she had in store for me Saturday night, only that it was going to be naughty in some way.

It was the middle of the summer and very hot so I was wearing one of my flimsiest summer dresses and some strappy heels when I showed up at Maggie's place just after nine.

"Glad you could make it," said Maggie. "They're all waiting for you," and she opened the door to the front room slightly and we both peeked in at the three guys sitting on the sofa talking.

"Fuck, Maggie, what are you up to?" I whispered as she led me into the kitchen.

"Remember your little confession the other week about how you'd love to have a queue of men taking it in turns to eat you out from behind? Well I've found you a little queue..."

She poured us both a drink and sat down at the kitchen table, and I was just about to freak out at her when she continued, "Before you go crazy on me, don't worry, those guys don't know why they're here, except that it involves some group sex. As far as they know, they're all here to fuck me and they're just waiting in there for me to come in and get the party started. It's up to you, you've seen the guys, you know you can trust me – it's your fantasy. All I'm doing is giving you the chance to act it out. Say yes and I'll go in there and tell the guys exactly why they're here. Say no and you can leave right now or stay and watch me fuck them all by myself."

I was really pissed off with her for doing this without even asking me and just as annoyed with her because I knew I would never have done anything about it myself. I grabbed the bottle of wine off her, poured myself a large one and said, "Oh fuck it, when does the party begin?"

"I knew you'd say yes!" Maggie said, kissing me on the cheek. She explained just what was going to happen. I was to go upstairs to her

bedroom and get undressed. Then I was to put on the mask that she'd left up there for me and climb onto the bed on all fours, ready. "You've got ten minutes and then we'll be up," she said, kissing me passionately on the mouth. I crept upstairs into her room and saw the feather mask on her silk sheets – it was now or never.

One minute later, I was naked, kneeling on the bed, slipping the mask over my face, my pussy tingling. My nerves got the better of me and I got down on all fours with plenty of time to go before the boys came up. When I finally heard them come in behind me I had worked myself up so much that I was already wet for it and slowly swaying my hips from side to side.

No one said anything. There was some barely audible breathing coming from somewhere behind me and then suddenly there was a hand on my bum, squeezing me roughly, the fingers driving through my pussy lips and splaying me open. It felt like electricity coursing through my body and I began to rock back and forth, grinding myself

against this stranger's hand.

Another hand cupped my right buttock and pulled me open as a tongue found its way inside my cunt and was dragged up over my anus and along my crack. I couldn't help but let out a low moan as fingers pushed into my pussy and a tongue probed my arsehole. I was so incredibly turned-on!

"She tastes good," came a voice from between my legs, and then I felt his tongue burst through into my pussy and his nose press against my arsehole. He pushed up against me so much I had to work hard to keep my balance by thrusting myself back against him, trying hard to ride his tongue as if it were a cock.

Then the rough handling stopped and a different style was introduced as my pussy lips were gently pulled on and my clit was

softly squeezed between finger and thumb. Another thumb sank into me, fucking me in circular strokes, pulling out and pressing against my ring. Would they actually fuck me, or would they just lick and finger me?

More hands were on me as my buttocks were spanked and I could feel two sets of

fingers slide inside my soaking pussy, pulling my hole open – they could fuck me any which way they pleased now, I was so horny for it that I would have done anything they asked.

From the corner of my eye I could see a hard, shaved cock waving around and without thinking about it I reached out and pulled it towards me, wanking it hard and then taking it into my mouth, groaning as I

The three of them switched places again and my cunt and arse got more of the rough treatment that had started this ball rolling, my buttocks turning red through spanking as the guy's rough chin rubbed up against my clit as his tongue delved deep inside my hole.

They switched again and again until I didn't know who was in my mouth and who was in my pussy. I came twice through all their attentions not knowing who or what was inside me

at any time, and this was without any of them sticking their cocks in anything other than my mouth.

"Fuck her," I heard Maggie say from somewhere near the door, then suddenly I was guided backwards off the bed, a finger and thumb up my cunt and arse, until I was half-standing, bent forwards over the bed. The sweet ecstasy as that finger was

shot thick wads of come over my face and shoulders before being plunged back in my mouth. Then Maggie appeared again, in just her underwear, and kissed me fully on the mouth, cupping my face in her hands and licking the come from my cheeks.

"I'll lick his come from inside you," she whispered as my climactic orgasm rocked through me, my cunt being filled with spunk again. True to her word, once I was full of sperm, Maggie came behind me and tongued every drop from my snatch before I dropped face down onto the bed, exhausted. Quietly, Maggie led the boys from the room and I fell asleep in Maggie's bed, waking in the morning to a house completely empty of strange, horny men.

"Good morning, said Maggie as she walked into the room and climbed into bed beside me. "I hope you enjoyed yourself last night. Now, how about you find out what it feels like to have a woman eat you out?"

And that's what I did!

tried to cram as much of it inside.

The cock in my mouth was taken away from me and as I looked up to see it moving further away from me, its owner pulling hard on it, another cock presented itself to me and I eagerly took this one between my lips. It was fatter than the first but shorter and I was able to take him all the way in while licking at his balls. He pulled out of my mouth and lifted his dick out of the way, offering me his balls to suck on instead.

Behind me, the third mystery man was busy fingering me, fitting all four of his fingers inside my cunt and pressing his thumb into my arsehole. I relaxed and let him into my ring – now I was his juice-soaked glove.

replaced by a full-length, solid, thick prick wedged in tight up my snatch. Whoever owned it was fucking me hard and fast, holding my butt cheeks tight and grunting on each thrust.

"Where do you want him to come?" whispered Maggie in my ear, startling me.

"In me," I panted. No sooner said than done, his cock spat hot spunk deep inside me as he fucked me with abandon.

It wasn't over, by any means, I still had a cock in front of my face and I had been wanking it and sucking it without pause.

When the third mysterious man pushed his piece inside me and began to fuck me, the prick in front of my face erupted and

From my childhood I have always loved a dare, I especially love the thought of being tested to the limit and sometimes I can't wait for my husband to ask me to prove my love for him with a challenge or task, sometimes I have to push him into it! When I was a girl, my father had an affair, and I didn't like the idea of my future husband cheating on me. So I decided that in my future relationships I would do exactly what my boyfriend or my husband wanted, so that he never gets bored with me and couldn't ever find someone sexier!

When we first met and we became first time boyfriend and girlfriend I loved him so much and I wanted to keep him so much that

I did anything that he wanted; we were perfectly matched because he loved to give me sexy challenges to do. Once I walked half a mile to the shops in the wind and rain just to get him some cans of beer wearing nothing but my black plastic mac and my stilettos to turn him on. I let him photograph me naked and then let him send the pics off to readers wives magazines and he pinned some of the photos to telegraph poles in our street. I always let him come in my mouth when he wants to do it that way and I often shaved my pubes for him because it looks and feels better and I've even had full sex with his work mates when he asked me to – it's all been so much fun!

Now that we've been married a few years my husband has cooled off a bit, but he still likes to give me the occasional challenge. He has a friend called Pete whose wife left him six months ago, and he became

was thinking about how I make love – I wanted to remember exactly how I use my fingers on his cock and exactly what I do with my lips when I suck on my husband's cock. I wanted to get it right because afterwards Pete might tell my husband exactly what I did to him! As I walked in to Pete's flat he came straight up to me and gave me a lovely cuddle and a kiss on the cheek, I took his hand in mine and insisted we go straight to the bedroom rather than discuss it.

I did exactly as I'd been instructed over the previous couple of nights, first I got Pete to relax and lie back on the bed. He helped me to ease off his trousers and then I pulled my top over my head to reveal my breasts; then like a good wife should I started massaging the growing bulge in the front of his pants with the palm of my hand and fingers.

Then, putting my fingers down the front and releasing his swelling cock from its fabric prison, I knelt down by the side of his bed and took his stiff cock into my wet mouth. As I'd been instructed, I performed eagerly with my mouth, lips and tongue, hungrily sucking on him, willingly sucking him into my mouth and wanting to taste his come, running my tongue round under the edge of his cockhead and making his cock really stiff with excitement – I love the taste and feel of a man's stiff cock inside my mouth!

Pete reached over to my bottom and tried to pull off my mini skirt, so I pulled away from his cock and removed the rest of his clothes before undressing myself, lastly removing my black lace knickers and lying down on the bed naked next to him. Then I grabbed one of Pete's hands and placed it between my legs, encouraging him to feel me and play with my clit, exactly as I'd been instructed to.

I felt no shame in rolling over on to my back and opening my legs for Pete, my only hope was that he was enjoying my company and that I was doing everything to the best of my ability in order to complete the task that I'd been given – I didn't want him complaining about my abilities to my husband!

Pete knew what he was doing, and took some of his weight on his arms as he manoeuvred his body on top of me and between my legs. I reached down and took hold of his enlarged organ, and with my fingers I guided his stiff length between my legs and deep into me. As he used his body weight to nudge his cock deeper and deeper into me I gasped for air as I was overwhelmed with the lust that was running through my mind and my body. I was being used as a sex toy by my husband's friend at my husband's request, yet I felt hotter and far more randy being fucked by this man who was just using me rather than I normally do when my husband's fucking me – it was like all my senses had come alive again.

Pete sucked on my right breast now and gently scratched my breast with his teeth, I ran my left hand through his dark hair and pull his head hard down on my breast, inviting him to bite me as his erect prick thrust deeper and deeper into me. Then I reached round his back with my arms, pulling his entire body weight on top of me, totally pinning me down, sandwiching my nakedness between his weight and his mattress. I could do nothing more as the power of nature took its course and Pete increased the speed of his thrusts and after a minute or two he gasped as his cock erupted, pumping wad after wad of hot spunk deep inside my belly... it was an experience for me to savour for ever more.

After that, when we'd both got our breath back, I dressed, gave him a peck on the cheek, and left.

This is what I have done, to please my husband, to give him total control of my body I have shared a tender moment and had sex with his friend Pete on his bed and I have proved that my husband has total control over me again and I will submit to his desires completely, every time... and I loved every minute of it!

very sad and lonely so we invited him to come around to ours most nights of the week to watch the telly and have a few drinks to stop him from being too lonely. Anyway one night when I was in bed with my husband and he was ramming his thick cock in and out of my fanny again and again, he leant forward and whispered into my ear, softly asking me how much I loved him?

I said that I loved him so much that I would do almost anything that he wanted. With that he seemed to chuckle to himself while still steadily and deliberately fucking into me, he then asked me to prove it to him like I used to; I had to promise him that I would complete any task or dare that he wanted me to do, even before I knew what the dare was to be. I was so turned-on by his sudden enthusiasm and the smile on his lips that I wouldn't have refused him anything.

I promised to complete the test, in fact I desperately wanted to do anything he requested and I prayed it would be something rude.

The thought of a test for me to complete and the feel of his lovely big cock powerfully ramming in and out between my legs brought me to a fantastic rippling wet orgasm that seemed to rip right through my body several times, just before he shot his sticky load deep into me.

Lying together on the bed afterwards, he told me that the trial for me to complete was that I had to go to Pete's flat one night and have sex with him in exactly the same way as we do it.

Michael told Pete what he wanted me to do and exactly how I was to do it! I had to take the lead, getting him onto the bed and removing his trousers first, then in releasing his cock and wanking it to life before kneeling down and taking his length between my lips and into my wet mouth. I had to suck on him hungrily with just the same enthusiasm as I suck on my husband's cock, and when he was nice and hard I had to promise to lie down and let Pete take me!

On the day I was so excited. Michael booked the taxi for me and laid out my clothes on the bed. I felt really damp between my legs and

Joanne Latham

PHOTOGRAPHED BY DONALD MILNE

Once again *Mayfair* welcomes a modelling sensation to its centre pages. Joanne Latham, one of the top models of all time, reveals more than she ever has for any other British-owned magazine. When you look at her figure it is easy to see just why she has become so sought-after by photographers the world over. Her magnificent 40 inch breasts, baby blue eyes and petite frame have won the admiration of film stars and publishers wherever she goes, and yet she admits to being quite shy about her obvious attributes. This is her full-frontal debut in *Mayfair*. Until now we have been able to observe her peerless superstructure only. At last all of her 40-25-35 figure can now be revealed to our readers.

Joanne is now 21-years-old and was brought up in the Black Country. But her Wolverhampton home is a far cry from the exotic lifestyle that she leads today. Amongst her close friends are enough stars to fill the pages of *Who's Who*, including the man every woman is said to swoon over: Ryan O'Neal. But whoever is lucky enough to date Joanne has to be an early riser. She says she is definitely a morning lover. She once laughingly told Donald Milne that her likes were white wine, young horny men and old rich men, horny or not. One man claimed (and got) a snip of pubic hair.

MAYFAIR Classic

Never let it be said we don't listen to our readers! Joanne Latham comes the request, and Joanne Latham is what you get! What a delight it is to revisit the curvy charms of this Black Country beauty, although we can't overlook the randomness of the blurb while we're here - what's all that about the snip of pubes at the end? Still, you could get away with anything in those days, I guess!

Nearly halfway through volume 51 and there's clearly life in the old dog yet! If you thought we'd struggle to keep standards up after the babes on display this issue, we've got some great news – we can. Not least thanks to the *Mayfair* debut of Babestation favourite Jada Cameo, who'll be treating us to an eyeful of just what she's got! On top of that, we've got the very welcome return of MF fave Tommie Jo, who's putting her secretarial skills to the test!
